THE PROJECT

ZAAMIN TOWER is being built on land area of about 10 Kanals. It has 3 Parking Basements, Lower Ground Floor, Ground Floor and 7 Upper Floors. Parking facility Consists of space for about 300 cars with 2 double ramps for rapid evacuation during rush hours. Total constructed area, excluding parking, will be 9 floors of about 25000 Sft each.

Upper 4 floors will be dedicated to a 100 room prestigious brand hotel with Restaurants, Banquet Hall, Conference Room, Gym, etc. A revolving Restaurant is planned on the top floor.

THE FOOD COURT & PLAY LAND

Located at lower ground floor and spread over 25,000 sq ft area, the food court is a combination of the famous “Lukshmi Chowk” and the modern “fast food” Cuisine. Spacious sitting area is easily accessible from the main project entrance as well as an internal circular stair and glass capsule lifts.

Spacious children play area will keep the children amused while you enjoy the Tandoori dishes.

The floor also has some “direct outlet” shops for browsing and economic shopping while you wait for your order to be served.

THE SHOPPING AREA

The shopping area consists of 100,000 sq ft spread on 4 floors. Variety of products like Shoes, Apparel, Home Lines, Mobile Phones, Electronics, Crockery, Cutlery, Jewelers will be on display in the shopping area. The shopping area will be anchored with famous brands in bakery, pharmacy, health care/lab and electronics show rooms. All shopping floors will be served by escalators.

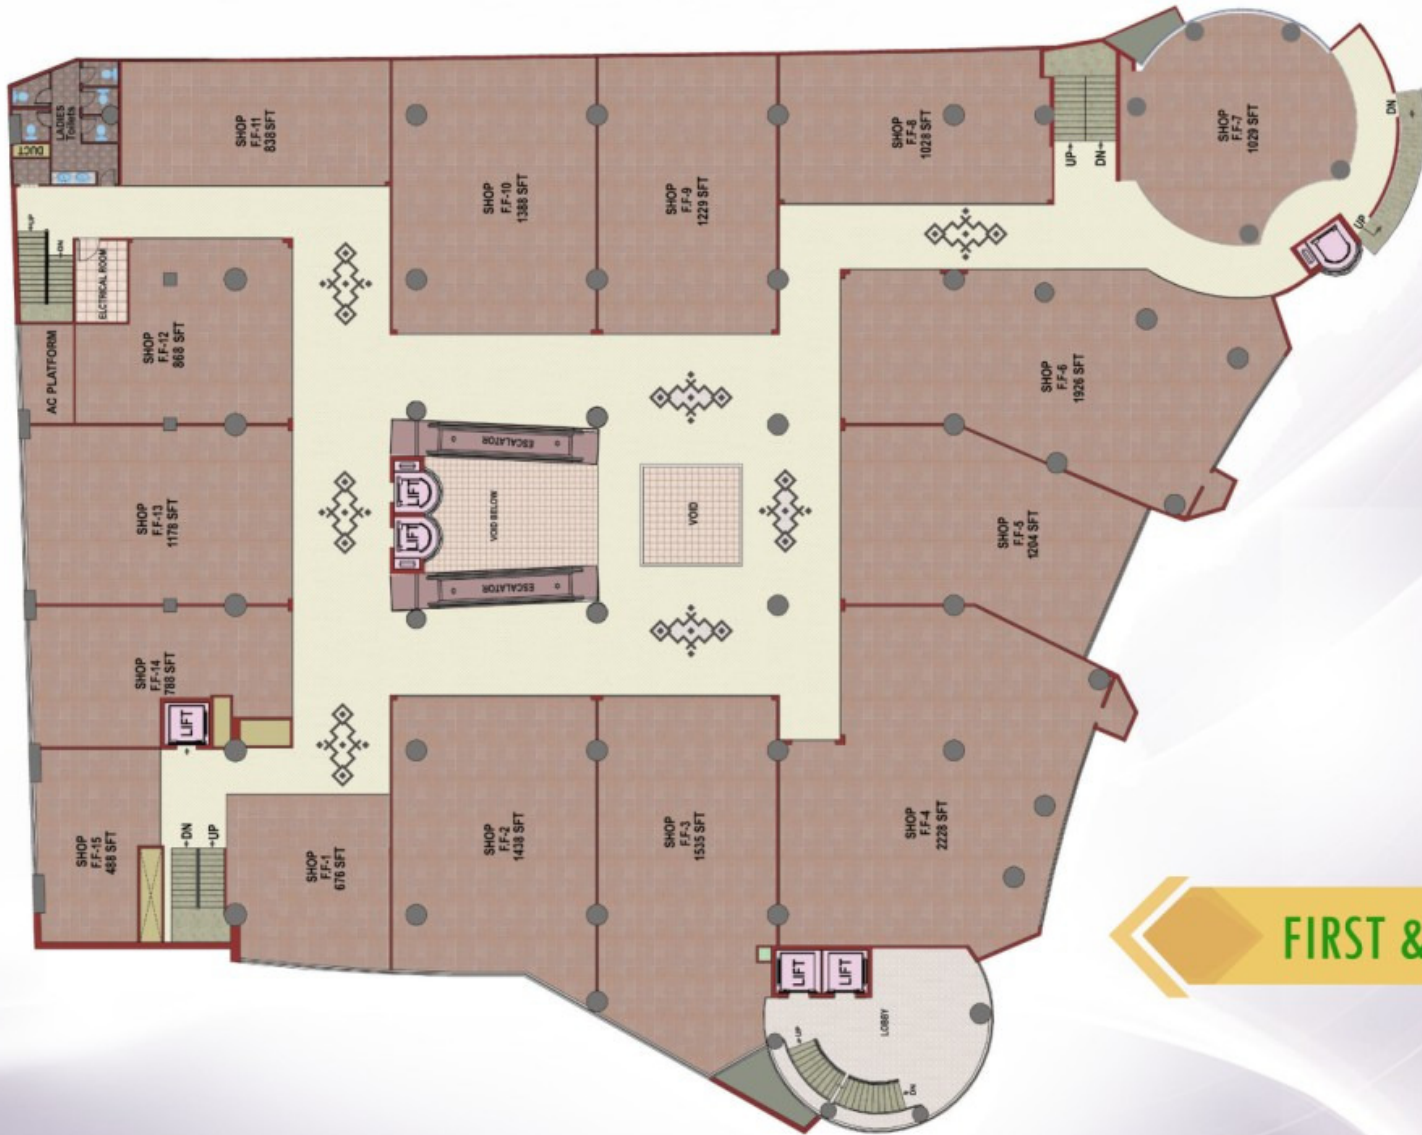

LOWER GROUND FLOOR PLAN

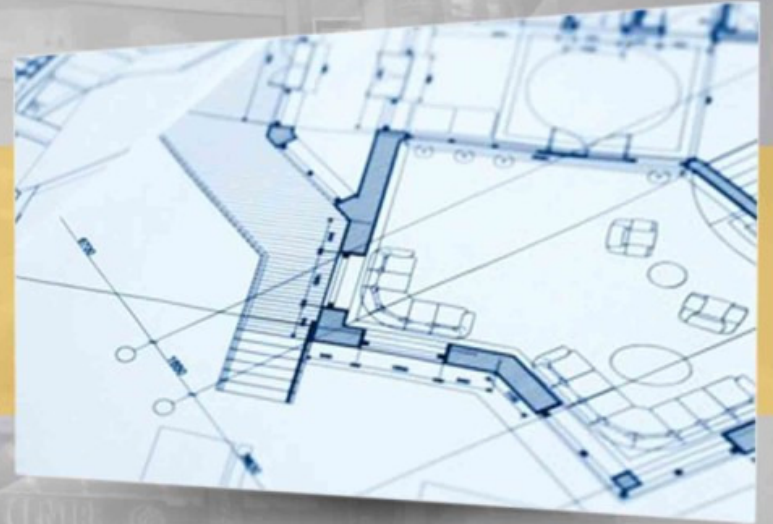

GROUND FLOOR PLAN

FIRST & SECOND FLOOR PLAN

FLOOR PLANS

Floor plans of shopping area are designed to be enhanced by the beauty of the central Atrium feature. All show rooms are visible from the main entrance and have easy and wide access from the well maintained common access area. Space has been created where events can be held to generate additional shoppers traffic. Capsule lifts, escalators, public toilets and emergency exits make the retail area attractive for shoppers.

THE CORPORATE FLOOR

The third floor is reserved for corporate offices, business centre, meeting rooms, and a business lounge. Furnished offices maybe be made available for plug and play entrepreneurs. Due to close proximity with LSE and financial district, the corporate floor will be attractive for LSE Brokerage houses, Forex dealers, commodity exchange dealers etc.

THE HOTEL

Check in lobby of the hotel will be located at Ground Floor with special dedicated entrance. Located at 7th floor will be the club floor that will contain restaurants, gaming area, video zone, conference room, banquet room etc.

A 100 room hi-brand hotel will be located at the 4th, 5th and 6th floors. The hotel will have all facilities like Gym, Business centre etc.

THE eFLOOR

The 7th floor is reserved for e-learning related entertainment activities and general lounging and relaxation. The floor will be available for hotel guests as well as general public. The eFloor will be connected with the landscaped roof. Facilities like gym, spa, and fine dining will also be available.

THE ROOF & REVOLVING RESTAURANT

Fully landscaped roof with panoramic view of the old city welcomes your for a live Bar B Q treat, and lot of fresh air. A cozy revolving restaurant will add spice to your chit chat.
